

LRAP: Loan Repayment Assistance Program

<u>How does it work?</u> VLGS initiated its Loan Repayment Assistance Program (LRAP) to assist alumni entering low paying, public interest work; thereby minimizing educational debt as a consideration in career choice. LRAP loans are forgiven contingent upon achievement of employment criterion outlined in the promissory note.

<u>**Requirements**</u>: All Vermont Law and Graduate School J.D. degree recipients are eligible to apply for assistance. The following eligibility standards apply to loans and employment:

- <u>Types of Loans Covered</u>: Federal Family Educational Loans including Stafford, Supplemental, Grad PLUS and Consolidation loans, and Federal Perkins Loans. Graduates with delinquent or defaulted accounts are not eligible for assistance. The outstanding balance on educational loans borrowed by the applicant to meet Vermont Law and Graduate School prerequisite degree requirements can be included. Federal Loans taken at other institutions and loans borrowed from and/or by family members will not be covered.
- <u>Qualifying Employment</u>: The graduate must be employed at least 35 hours per week by a government agency or non-profit organization. Such employment would include, but is not limited to: legal services offices, public defenders, prosecutors and other appropriate government agencies, and advocacy groups. Judicial clerkship appointments are not considered eligible employment.

<u>Award Calculation:</u>

• <u>Expected Contribution from Applicant</u>: An income contribution to educational loan payments will be expected from all applicants. The contribution from adjusted income will be calculated as follows:

<u>Income Range</u>	Expected Contribution to Educational Loans
\$ 0 \$19,999	10% of adjusted income
20,000 29,999	\$2,000+15% of adjusted income exceeding \$20,000
30,000 39,999	\$3,500+20% of adjusted income exceeding \$30,000
40,000 49,999	\$5,500+25% of adjusted income exceeding \$40,000
50,000 +	\$8,000+30% of adjusted income exceeding \$50,000

• <u>Calculation of Educational Loan Payments</u>: An estimated payment will be calculated based upon the outstanding principal balance of covered educational loans following graduation from Vermont Law School.

<u>**Post-Graduate Obligation</u>**: Recipients are asked to repay assistance in the form of a donation to the Vermont Law School financial aid programs if and when able to do so. In addition, recipients may be asked to assist Vermont Law School Alumni Affairs, Development, Career Services, or Admissions efforts.</u>

<u>Miscellaneous</u>: Awards are granted on an annual basis. The number and amount of awards will vary annually due to funding limitations. The Vermont Law and Graduate School Financial Aid Office will determine recipients and award amounts. Qualifying applicants with the highest debt-to-income ratio will be funded first.

<u>Application Procedure</u>: This application must be completed and returned with all requested documentation by the due date. Applications submitted after the due date will not be considered.

All applications must be submitted electronically to the email address provided. Mailed applications will not be considered. It is the responsibility of the Applicant to contact the Financial Aid Office and provide the access password for any password-protected documents.
