Although the requirements may be waived, the total number of credits required for degree completion remains unchanged.

2. EXTERNSHIPS

The Master's Externship Program provides students with a field experience to develop their Public Policy Justice knowledge and skills. See regulation IV.B. for externship requirements and procedures.

Revised section V.A:

Vermont Law and Graduate School awards joint JD/MCEP, joint JD/MAPP, joint JD/MELP, joint JD/MERL, joint JD/MFALP, joint JD/MPP and joint JD/MARJ degrees. The requirements in regulation V.A.1. apply to all six joint degrees.

1.b. A joint-degree student may share credits between the two degree programs. JD/MELP and JD/MARJ joint-degree students must take a minimum of 21 non-shared Master's degree credits at Vermont Law and Graduate School. JD/MCEP, JD/MAPP, JD/MERL, JD/MPP, and JD/MFALP joint-degree students must take a minimum of 22 non-shared Master's degree credits at Vermont Law and Graduate School. All credits must be selected from the list of courses approved for the specific Master's degree program.

8. JOINT JD/MASTER OF PUBLIC POLICY (MPP) DEGREE

The JD and MPP degrees are awarded for the satisfactory completion of a program which includes the requirements of the JD program as well as those of the MPP program.
